

Dave Blankenship
Director Short Track & Drag Racing

Dave was born in Virginia and moved to Iowa in the late 1960's. Blankenship has worked in the automotive industry all of his life including: 1979 – 1989 automotive technician; 1989 – 1994 chassis fabricator and designer for Harris Auto; 1995 – 1998 Service Manager for GM shop; and 1998 – 2003 maintenance technician for Magna International at their plant in Victor, Iowa. Blankenship opened a private garage before coming to the Iowa Speedway.

Blankenship has raced stock cars, modified and asphalt stock cars throughout the Midwest and East Coast for over 20+ years.
