(Note: Parking on the asphalt lot is subject to availability.) Parking is located in the northwest corner of the facility accessible from Rusty Wallace Drive.
CAMPING AT IOWA SPEEDWAY

OPTIONS

Trackside Camping:
Trackside Campers can enjoy one of racing's most unique views from a Trackside space along the Speedway backstretch in Turns 3 and 4. Reserved Trackside Camping is for commercially built motor homes, 5th-wheel or travel trailers which have an operational bathroom as installed by the original manufacturer. Spaces are 25-feet wide and 50-feet long.

General Camping:
General Camping is conveniently located across Rusty Wallace Drive, north of the track, a short walk to Iowa Speedway's concourse and grandstands. These grassy camping spaces are for commercially built motor homes or travel trailers. Reserved spaces are 25 feet wide and 50 feet long and do not have water or electricity. Advanced reservations cannot be made once camping has opened on a race weekend; reservations are taken at camping check-in. Tent Camping is available and reservations are not necessary. Tents are allowed in the designated Tent Camping area only. For rates and availability please, call Iowa Speedway at 866.787.8946.

HOURS

Camping Hours
Gates open at noon (CT) Thursday prior to the first event of the weekend and close at noon (CT) one day after the final event of the weekend. A “good neighbor” quiet policy will be in effect beginning at 12:00 a.m. (Midnight - CT) or one hour after the conclusion of the final event of the day. Admittance and set-up are restricted when gates are closed.

GENERAL INFORMATION

1. Reserved Trackside and General Camping spaces are sold on a season or weekend (depending on availability) basis only.
2. Trackside Camping includes either six (6) or ten (10) individual passes. Passes provided with each premium camping space are good for admittance into the concourse, Fan Walk and midway. Each individual must have a Trackside ticket to obtain access to the Reserved Trackside RV area. Each person must have an RV pass regardless of age, with the exception of children 3 years of age or younger. Two designated parking passes per spot will be issued; one (1) is for the camping unit and one (1) is for the tow vehicle or companion unit.
3. General Camping does not include grandstand tickets but they can be purchased separately by contacting the Ticket Office.
4. Fans can tune into 106.7 FM to hear the race and track's PA announcements.

DIRECTIONS

Trackside Camping Location:
Use exit 168 off I-80 to Rusty Wallace Drive and follow Rusty Wallace Drive to Lincoln Road (follow all traffic signage for trackside camping).

General Camping Location:
Use exit 168 off I-80 to Rusty Wallace Drive and follow Rusty Wallace Drive to General Camping entrance (follow all traffic signage).
FAN WALK

Fans can get closer to the action by purchasing a Fan Walk Pass. You can check out the cars, fill up at the concessions stand and, best of all, kids under age 12 are free with a paid adult.

A Fan Walk Pass also entitles you to a free tram ride to and from the Fan Walk. Tram boarding is located behind the Turn 1 Grandstands next to Turn 1 Hospitality. Re-boarding is located where you were dropped off in the Fan Walk.

The Fan Walk Booth is located on the back side of Ticket Booth 1 behind the Turn 1 Grandstands. The Fan Walk is marked with the letter N on the map (pg. 4.)

GUIDELINES

- Tickets to the Fan Walk are $10 and can be purchased at Ticket Booth 1.
- Iowa Speedway reserves the right to deny the sale of Fan Walk Passes to any individual according to race sanctioning body rules/regulations.
- No alcoholic beverages are permitted on the tram.

IOWA SPEEDWAY RULES & GATE POLICIES

ACCIDENTS

If you’re involved in or witness an incident during your visit, notify the nearest security guard, usher, or contact the Speedway operator at 641.791.8000. SEVERE WEATHER PROCEDURES 🌬️

Here’s what you need to know:

- Iowa Speedway may not provide adequate protection from extremely high winds, tornadoes or lightning
- Personal protection is everyone’s responsibility
- Be proactive. Plan in advance what you, your family and friends will do if severe weather approaches the track
- You should monitor the weather very closely and take necessary precautions to ensure your safety
- There is no basement or approved tornado shelter on property
- We recommend you take shelter where you feel safe based on your circumstances
- The American Red Cross recommends that if you are caught outdoors and cannot quickly access a shelter, it is best to get into a vehicle and buckle your seat belt until you are able to get to the closest shelter
- The American Red Cross recommends that if you are in your car and flying debris occurs, stay in the car with the seat belt on. Put your head below the window level and cover your head with your hands
- Campers are encouraged to secure all campsite items for high/damaging winds

**Iowa Speedway weather update communication methods include:**

- Whelen Mass Notification System
- Public Address announcements
- Twitter advisories (@IowaSpeedway)
- Facebook advisories
- Radio broadcasts: at Iowa Speedway tune into 98.9 FM which broadcasts information from the PA system at the track. If you choose to leave the property, tune to 95.9 FM or 106.7 FM
- The National Weather Service Public Access Hotline (515.270.2614) or website (www.weather.gov/dmx) provides specific storm information
- For Iowa Speedway weather updates simply text WEATHER to 69050
